- **CLOTHING** - We recommend solid colors. Stripes, plaids, and bold prints can distract from the main subject - YOU. Wear colors that best compliment your personality and style! We think three quarter length and long sleeves work best.
- **GLASSES** - If you wear glasses, please bring empty frames to optimize your studio session.
- **MAKE-UP** - Evenly applied evening make-up is best. Bring your own make-up and hair spray for quick touch-ups.
- **HAIR** - Style your hair your favorite way. This is not a good time to "try a new do". Schedule your haircut one to two weeks before your session to avoid the "just cut" look.

Please consult with the photographer prior to session if you have any questions.
